

Hardcast Introduces Super Tack TRAVEL-TACK August 27, 2019

To: Hardcast's Representatives and Distributors

Hardcast is pleased to announce the addition of Super Tack TRAVEL-TACK™ to its aerosol adhesive product line. With an enhanced, highly aggressive formula, Super Tack TRAVEL-TACK is the ideal product for your most challenging projects.

Super Tack TRAVEL-TACK is a self-contained, highly aggressive, instant tacking, portable spray system engineered to deliver a low-pressure web spray. This eliminates adhesive vaporization and overspray, allowing you to get the most coverage from each cylinder. Super Tack TRAVEL-TACK is ideal for bonding a wide variety of insulation to galvanized metal substrates, and its portability, limited equipment clean-up, and low equipment cost make this product ideal for field or shop use.
